Forgotten God

This series is based on the book **Forgotten God** by Francis Chan. In the book Francis contends that we've ignored the Spirit for far too long, and that without Him, we operate in our own strength, only accomplishing human-sized results. God put His Spirit in us so we could be known for our power. Sadly, most believers and churches are known for talent and intellect rather than supernatural power. What's worse is that we're okay with it. It's time for the beloved church of Jesus Christ to reverse the trend of neglect. We are going to spend 7 weeks pursuing the Spirit-filled life of effectiveness God desires and we desire. We pray that as we go through this series, you will embrace and follow the Holy Spirit's direction in our lives.

For more information about the book, please visit to www.ForgottenGod.com.
